The Course Search button is located on the Minibar on the top of your page. The Minibar is available on all pages of BlazeVIEW. This can be used to quickly navigate from one course to the other without having to return to the homepage. Selecting the search button will list your pinned courses, recently

When you pin a course, it will display on your BlazeVIEW homepage and appear at the top of the Course Search list. It is recommended that you pin your most-used courses. In most cases, that will be the current semester s courses. To pin your course, dick the Course Search, find the course you want to pin, and click the pin icon to the right.
