Request for a Revised Course CSD 5080: Dysphagia and Motor Speech Disorders:

The content of the course currently is not in alignment with the standard practices in the field. The two subject matters are taught in separate courses. Additionally, the dysphagia content has to be expanded to include the pediatric population and it must also include anatomical and physiological aspects of swallowing that span from the mouth to the pelvis.

David Nelson motioned to approve. Matt Carter seconded. Motion passed: 13 approved 0 opposed 0 abstained.
