In accordance with the copyright policy set forth by the University System of Georgia (USG) and to comply with the <u>TEACH Act's provision</u>, Valdosta State University adheres to the following guidelines as listed on <u>USG's Guide to the Teach Act</u> page when making copyrighted materials available behind a course management system such as BlazeView:

Authentication: the institution must use secure authentication technology to restrict access to copyrighted materials placed within a course. (materials are restricted access via BlazeView)

Current Enrollment: Access to performances and displays of copyrighted materials must be limited to students currently enrolled in the course.

Time Limits: Copyrighted electronic materials should be available for a prescribed time period only, normally a single class session. This can be achieved through control of the content via password or tim

My Institution is a nonprofit accredited educational institution or a government agency

My Institution has a copyright policy in place and provides information and education about copyright. ( http://www.usg.edu/copyright/)

My Institution implements reasonable download controls to prevent the retention or dissemination of copyrighted works.

Access to work will be limited to students currently enrolled in my course.

A copyright warning notice will be present on work. The New Media Center will place a notice on all copyrighted video streams.

The copyrighted work that I would like to use was lawfully made/acquired.

The work is integral to the class session.

I will make the copyrighted work available to my students only for a period of time that is relevant to the context of a class session.

The materials are of the proper type and amount the law authorizes:

- Entire performances of nondramatic literary and musical works
- Reasonable and limited portions of a dramatic literary, musical or audiovisual work
- Displays of other works, such as images, in amounts similar to(d)-3 (ra)996.3other works, such as
