

STUDENT AUTHORIZATION FOR RELEASE OF RECORDS
FERPA

The Family Educational Rights and Privacy Act (FERPA) is a Federal law designed to protect the privacy of a student's education records. This Act prohibits university officials from disclosing any records, including grade reports, academic standings, transcripts of records, or any other records, files, documents, and materials in whatever medium, which contain information directly related to the student and from which the student can be individually identified.

Valdosta State University must have a signed acknowledgment from you before educational information can be released to a person or entity other than the student.
