## **Science Seminar Series:**

Students are required to take 1 credit hour in the Science Seminar Series. The Fall 2011 Seminar

is titled "The Future of Science". It will be taught by Dr. Michael S. Lanza, Director of the Science Seminar Series. The seminar will consist of a series of lectures and discussions on various topics related to the future of science. The seminar will be held in the Science Seminar Room, located in the Science Building, on Tuesdays at 10:00 AM. The seminar will be open to all students, faculty, and staff. The seminar will be graded on a pass/fail basis. The seminar will be graded on a pass/fail basis.

The seminar will be graded on a pass/fail basis. The seminar will be graded on a pass/fail basis.
