Midterm: March 3, 2012. This is the last day to drop this course and receive a withdrawal grade (W).

Credit Hours: 1

he class completely, you are responsible for the material covered that class period and you must be prepared for the quiz the following class period.

I will not accept assignments or a lab report from a class that you did not attend. I will not accept any late assignments either. You will receive a daily participation grade. Therefore, if you are not present you will receive a zero grade for the day.

Final Grades: Final grades are based on the following cumulative point totals:

90 100% = A 80 89.99% = B 70 79.99% = C 60 69.99% = D Below 60% = F
