Lab Quiz

Course expectations:

- a. I understand that this is a science class and that my enrollment is voluntary. I am **here to learn the science** and I am free to drop the course if I do not wish to learn the material.
 - i. Biology is a science – it is perceived to be hard for many people.
 - ii. As is true for any scientific discipline, the study of biology requires a large body of highly detailed and technical information that must be mastered.
 - iii. Biology, as is true for any science, has a large amount of technical terminology that must be mastered.
 - iv. It is not sufficient to simply “memorize” the facts and terminology, but one must also understand the many concepts relevant to modern biology.
- b. I understand that my **grades are based solely upon my level of performance**, not on what I may want or think I need.
 - i. Students do not get a grade simply by attending.
 - ii. Students must work at achieving their desired grade.
