with WileyPlus codes (Required).**

Laboratory Textbook - Dissection tools (Required),

assigned online and will count as 10% of your final grade. Each person is required to have WileyPLUS access and will be expected to routinely monitor their course calendar for assignments. I reserve the right to give unannounced quizzes to ensure that everyone is on time, attending class, and keeping up with lecture material. **NO make-up lecture exams or quizzes will be given for any reason.** Should you miss an exam, you may take the comprehensive final to replace the missed exam grade.

The laboratory grade will be composed of four lab practical exams. The **Lab practicals cannot be made up. If a lab practical is missed, you will receive a zero for that lab grade.**

The final grade will be a combination of your final lecture score and laboratory score. Lecture exams will comprise 55%, WileyPLUS assignments will comprise 10%, and lab will comprise 35% of your final score. The lecture final will be comprehensive and **OPTIONAL**. For those wishing to better their grade, this exam score will replace the lowest written exam score received during the semester.

Example grade calculation:

(Note: in this example, Exam 5 replaced the lowest grade, Exam 4)

$$\frac{(1 + 2 + 3 + \text{---}4 + 5)}{4} \times 0.55 =$$

$$\frac{(1 + 2 + 3 + 4)}{4} \times 0.35 =$$

$$\text{-----} \div 0.1 =$$

Lecture + *Lab* + *WileyPLUS* = Final Grade (this is out of 100)

Grade Scale: **90-100 = A, 80-89 = B, 70-79 = C, 60-69 = D, <60 = F**

Privacy Act: The FERPA Privacy Act does not allow me to discuss grades over the phone, sent to non-VSU email addresses, or be given to friends or relatives.
