## Pre- and/or Co- Requisites:

BIOL 1100 is required as a co-requisite for all incoming freshmen biology majors before or during enrollment in BIOL 1107.

## Course Learning Outcomes:

Students will learn the following:

1) Biology major requirements, general advising, strategies for success, and related career paths from biological research to professional programs. These topics will be covered as indicated on the schedule;

2) The basics of the scientific method and scientific writing.

These learning outcomes correspond to the biology educational outcome #1 and the VSU General Educational Outcomes 3, 5, 7 and 8.

### Required Course Materials: None

Assessments:		Your Score		Course Grade
Attendance Study Habit Guide Scientific Writing Career Plan Career Slide ePortfolio	(max) 49 % 6 % 10 % 10 % 10 % <u>15 %</u>		70 60	100 % = A 89.9 % = B 79.9 % = C 69.9 % = D 9 % = F
Total	100 %			

# All assignments turned in via the ePortfolio must be typed or they will not be accepted.

#### Attendance:

Attendance in this course is absolutely required. Each student is responsible for all material missed regardless of the reason for absences. Students earn 3.5 % points for each class attended up to a maximum of 49 %.

Students must arrive within the first ten minutes of each class to be given credit for that day.

### Extra Credit:

Face masks are required to be worn at all times in class. If all students wear their masks properly throughout the entire period, then all students present that day will earn 0.3 % extra credit for that day. (maximum of 3.6 % for the term).

**<u>Privacy Act (FERPA)</u>**: The Family Educational Rights and Privacy Act (FERPA) prohibit the public posting of grades by social security number or in any manner personally identifiable to the individual student. No grades can be given by email or over the telephone, as positive identification can not be made by this manner.

**Disruptive behavior**: No disruptive behavior of any kind will be tolerated in this course. Students should restrict talking and discussion to pertinent questions related to course material and these questions should be directed toward the instructor. Entering a classroom late or early is discouraged. Any student disrupting lectures will be required to leave the classroom. Use of cellular telephones or any similar remote communication device is prohibited during class time.

<u>Students with Disabilities</u>: Students with disabilities who are experiencing barriers in this course may contact the Access Office for assistance in determining and implementing
