

Spring 2020, BIOL 3500/5500 - Mycology (4 credit hours)

Students are required to bring the Fifth Kingdom, syllabus, and lecture notes to lecture and lab.

ASSESSMENTS:

Exams: There will be 4 lecture exams, each worth 100 points. Exams will be based on lecture material and may include material from reading assignments (i.e. peer-reviewed articles, blog posts, etc) discussed in class. Exams cannot be taken early unless you have a university related excuse and have informed me of this need at least one week in advance. Make-up exams are an option - If you have an acceptable, documented excuse, you can take an exam of similar difficulty to the rest of the class. If you do not have documentation, or I do not accept your excuse, the make-up exam will be more challenging with essay questions.

Reading Quizzes: aluated with quizzes (see the tentative schedule for weekly assignments). Quizzes will occur at the beginning of class as scheduled. Your 10 highest quiz grades will count. Most quizzes will be ~5 questions and you will have 5-7 (be late to class!). To do well on the quizzes, pay attention to big picture concepts, and interesting & easy to remember facts while you read. You may refer to the reading and your own hand-written notes
