## **Course Policies, Procedures, & Expectations:**

### **Expectations.**

- Attend class regularly, arrive on time & stay the entire class period.
- Pay attention (avoid distractions). The skill of attention and self-discipline is yours to develop, not mine to police. I wish you all good fortune with these skills!
- If you miss a lecture, watch the recording in Kaltura before the next lecture period.
- It is your responsibility to take notes – I do not share my PowerPoint slides.
- I may lecture faster than you can take notes. Write down as much as you can while still being able to follow the lecture, and use the lecture recording in Kaltura Media Gallery to fill in the rest of your notes after class. If your notes are complete before the next lecture period, you have met my expectations.
- If you arrive late or must leave early, use the second-floor doors to reduce distractions. THANK YOU!

**Laptop/Tablet policy.** Off-
