## Lab Conduct (Policies)

- Attendance is required. Students who miss more than one lab session will receive a "D" (60%). Attendance is taken at the beginning of each lab session. Students who arrive more than 10 minutes late will be marked absent. Students who miss a lab session due to illness must provide a doctor's note to the instructor within 24 hours of the missed session. Students who miss a lab session due to an excused absence must make up the lab session within one week of the missed session. Students who miss a lab session without an excused absence will receive a zero for that lab session.
- Students are expected to arrive at lab prepared to participate in the lab activities. Students who arrive unprepared will be asked to leave the lab and will receive a zero for that lab session.

**If you miss a lab, then you should get the missing lecture notes from your classmates, so that you can be ready for the corresponding quiz in the week.**

**If you miss lab quizzes, there is an opportunity to make them up on the last day of semester (see the schedule). The maximum number of make-ups is three.**

**Lab Assignments.**

**Late assignments won't be accepted.**

**Your score (%) = Sum of your scores/2.2**
