ASSESSMENT

There will be examinations, Web assignments, homework assignments, in-class participation, and a mandatory comprehensive final examination (worth 20% of the available points).

Excessive tardiness or absences may result in the notification of your major chair and/or the filing of a Departmental Concern Form.

If you miss more than 20% of the class meetings (>6 days), you will receive an F in the course as per Valdosta State University Policy found in the VSU Undergraduate Catalog. Please note that there are no distinctions made between “excused” and “unexcused” absences. All absences are counted equally no matter what the reason. If you are absent, be certain to get class notes, handouts, and assignments from another student in the class. Getting the phone number and e-mail address of two or three classmates during the first week of class will be very helpful. It is completely your responsibility to get class materials for a session that you missed.

All cell phones/MP3 players/laptops will be turned off and stowed during class.

Students will receive points for class attendance and participation. Students will lose points for lack of participation (off task, sleeping, and so on), tardiness, and absences. These points CANNOT be made up – if you are not present you did not participate and thus cannot receive participation points.

New Limited Withdrawal Policy:

- o Please remember that starting fall 2010 undergraduate students are limited to 5 course withdrawals for the lifetime of their undergraduate record.
- o **DO NOT OVER-REGISTER!** Please make sure you are enrolled in courses you intend to complete.
- o Please go to <http://www.valdosta.edu/academic/WithdrawalPolicy.shtml> and read the entire policy and the FAQs.

SOI Statement

At the end of the term, all students will be expected to complete an online Student Opinion of Instruction survey (SOI) that will be available through SmartEvals. Students will receive an email notification through their VSU email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous to instructors/administrators. Instructors will be able to view only a summary of all responses after they have submitted final grades. While instructors will not be able to view individual responses or to access any of the data until after final grade submission, they will be able to see which students have or have not completed their SOIs. These compliance and non-compliance reports will

- x Through your actions and words, display that the work you are doing is important.
- x Be courteous to and respectful of others. All students have the right to hear in class lectures, so do NOT converse privately during class lectures.
- x Clean up after yourself.
- x Demonstrate a positive attitude.
